Dear Mr Butler

LIVERPOOL BAY CCS LIMITED'S HYNET CARBON DIOXIDE PIPELINE PROJECT

SUBMISSION OF CHESHIRE WEST AND CHESTER COUNCIL FOR EXAMINATION DEADLINE 1 (17 APRIL 2023)

In response to your (Rule 8) letter dated 27 March 2023 [reference PD-012] setting out the Examination timetable, I am writing on behalf of Cheshire West and Chester Council with the responses for Deadline 1.

The Council's submissions for Deadline 1 comprise this letter and the following emailed to the Case officer by E-Mail on the 17th April 2023:

- Response to Examining Authority's written questions and requests for information (ExQ1); and
- Written Representations (including a summary).

In addition, the Council has the following comments to make:

- No written summary of oral submissions are provided as they related to representations on the timetable and have been superseded by the Rule 8 letter [PD-012];

- The Council's draft Local Impact Report and an addendum (if required) to the Written Representations will be submitted at Deadline 1A;
- The Statement of Common Ground (SoCG) submitted by the Applicant at Deadline 1 is not agreed and has not incorporated a number of comments made by the Council in advance of Deadline 1 and the Council has advised the Applicant of this prior on 17 April 2023;
- The Council wishes to attend the Compulsory Acquisition Hearing and wishes to be heard, subject to the hearing agenda; and
- The Council wishes to attend an Issue Specific Hearing (if held) and wishes to be heard, subject to the hearing agenda.
- The Council wishes to attend the Open Floor Hearing.

Yours faithfully

Ben Greenwood
