Dear Sirs

I refer to my recent telephone conversations with Mr Jake Stevens regarding the above DCO Application and firstly would like to thank him for his assistance and co-operation.

As discussed I write to confirm my clients intentions that their initial representations submitted in January 2023 should go forward as further written representations, in relation to the forthcoming enquiry. My client reserves the right to address the enquiry on all or any of the points raised in their initial representation, though the identity of those clients who will be represented will be confirmed at a later date. For your reference purposes the client/representations are:-
