

Cheshire West and Chester Council's Relevant Representation to Change Request 1 (CR1)

Wednesday 14 June 2023

This document represents a table of responses by Cheshire West and Chester Council ("the Council") to the Liverpool Bay CCS Limited ("the Applicant's") Change Request 1 in respect of the Applicant's application for development consent for the Hynet Carbon Dioxide Pipeline DCO ("the Project").

The Council's comments in respect each change are entered in the right-hand column and relate to the matters addressed to the Council directly.

Change Number	Detail of Change	The Council's Comments
4	<p>Extension of the Order Limits of Work No. 23 and addition of Plot no 9-14a, 9-16a, 9-16b, 9-18a, 9-18b and 9-19a, to the north to reduce the impact on veteran trees near Backford Brook (Applicant Reference: PS04)</p> <p>The change is being proposed in response to a landowner's request.</p> <div style="display: flex; justify-content: space-around;"> <div data-bbox="353 678 779 1010"> <p>DCO Submission</p>  </div> <div data-bbox="801 678 1249 1010"> <p>Proposed Change</p>  </div> </div>	<p>Biodiversity Ecology Comments</p> <p>It is noted that the technical appendices have been updated with general survey information, as well as information directly in relation to Change Request 1. The comments below are based on information relating to Change Request 1, Change number 4, only. Note that where there is more than one part to a document, only the first part has been referred to, unless there is a specific query with subsequent parts.</p> <p>CR1-025 Liverpool Bay CCS Limited Additional Submission - D.6.1 Environmental Statement – Non-Technical Summary (Tracked Changes)</p> <p>There looks to be no new information relating to the change request.</p> <p>No concerns are raised by the Council.</p> <p>CR1-055 Liverpool Bay CCS Limited Additional Submission - D.6.3.9.1 Environmental Statement - Appendix 9.1 Habitats and Designated Sites (Tracked Changes)</p>

It is noted that the document includes change request area 4, with similar habitats to the land adjacent, including semi-improved grassland, trees, ditch and hedgerow.

No concerns are raised by the Council.

CR1-061

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.2 Environmental Statement - Appendix 9.2 Great
Crested Newt Survey Report (Tracked Changes)

There have been no changes in this document. There are no further ponds included due to the increase in area, than were previously considered.

No concerns are raised by the Council.

CR1-063

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.3 Environmental Statement - Appendix 9.3 Bat
Activity Survey (Tracked Changes)

The increase in the Order Limit for Change number 4 (near to T169 on Fig 9.3.2 Sheet 2 of 9), which includes further trees and hedgerows, does not seem to have been mapped within this report and there is no indication that the trees in this extended area have been surveyed for Bat roosts.

The Council requires further tree and hedgerow survey data / mapping to be provided in the Bat Activity Survey.

CR1-067

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.4 Environmental Statement - Appendix 9.4 Bats
and Hedgerows Assessment (Tracked Changes) (Part 1)

Change number 4 has been included for transect surveys,
but not for trees, as above (Fig 9.3.3 Sheet 2 of 6).

The Council requires t further tree survey data to be
provided within the Bats and Hedgerows Assessment.

CR1-071

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.5 Environmental Statement - Appendix 9.5
Badger Survey Report (Confidential) (Tracked Changes)

The figures for Change number 4 are not included in the
report.

The Council requires the missing Badger figures are
provided / incorporated to be into the Badger Survey
Report.

CR1-074

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.6 Environmental Statement - Appendix 9.6
Riparian Mammal Survey Report (Tracked Changes)
(Part 1)

The area of ditch included within Change number 4 has
been surveyed and no evidence was found.

No concerns are raised by the Council.

CR1-077

Liverpool Bay CCS Limited Additional Submission -
D.6.3.9.7 Environmental Statement - Appendix 9.7 Barn
Owl Survey Report (Confidential) (Tracked Changes)

The figures for Change number 4 are not included in the
report.

The Council requires the missing Barn Owl figures to be
provided in the Barn Owl Survey Report.

CR1-079

Liverpool Bay CCS Limited Additional Submission
D.6.3.9.8 Environmental Statement - Appendix 9.8 Bird
Report (Tracked Changes)

There is no relevance to Change number 4, due to the
limited area of extent.

No concerns are raised by the Council.

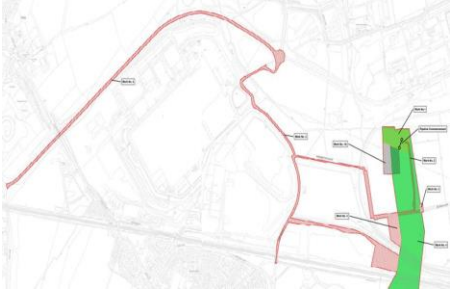

CR1-081

Liverpool Bay CCS Limited Additional Submission
D.6.3.9.9 Environmental Statement - Appendix 9.9
Aquatic Ecology (Watercourses) Survey Report (Tracked
Changes)

The area of ditch included within Change number 4 has
been surveyed and no further action is required.

		<p>No concerns are raised by the Council.</p> <p>CR1-057 Liverpool Bay CCS Limited Additional Submission D.6.3.9.10 Environmental Statement - Appendix 9.10 Aquatic Ecology (Ponds) Survey Report (Tracked Changes)</p> <p>The area included within Change number 4 has been surveyed and no further pond surveys were required.</p> <p>No concerns are raised by the Council.</p>
5	<p>Extension in construction working hours to include Saturday morning working (Applicant Reference PS05)</p> <p>The addition of Saturday mornings to the project working hours will allow the construction programme to be executed in a more efficient and timely manner.</p> <p>The operation and maintenance phases of the Application have not changed due to the proposed change request.</p>	<p>In line with revised para 2.2.1 of the OCEMP [CR1-119] the Council has no objection to the extension of construction working hours to 08:00 to 13:00 on Saturdays.</p> <p>The Council notes that this change has not been reflected in Schedule 2, Requirement 13(1) of the dDCO at Change Request 1 [CR1-017] but has been subsequently updated in the most recent draft DCO [REP3-005].</p>
6	<p>Extension of the Order Limits at Work No. 3 to enable access to Ince AGI from the adopted highway (Applicant Reference PS06)</p> <p>The change is being proposed in response to a landowner's request and to provide access to and egress from the public highway.</p>	<p>Notwithstanding the Council's previous comments raised in respect the impact of the access to Ince AGI upon the Protos Plastics Park (para 6.8 of the Council's LIR [REP1A-002]) and upon Expansion of Encirc (Para 2.2.12 of the Council's response to the Applicants' comments on</p>

	<p>DCO Submission</p>  <p>Proposed Change</p> 	<p>the Council's LIR [REP3-044]), the Council has no further comment to make on this proposed change.</p>
<p>8</p>	<p>Reduction of the Order Limits at Work No. 3 to remove a section of the Hapsford railway line spur (Applicant Reference PS08)</p> <p>The change is being proposed due to design refinement to ensure that possession of land only occurs where necessary across the Order Limits.</p> <p>DCO Submission</p>  <p>Proposed Change</p> 	<p>The Council has no comment.</p>

9

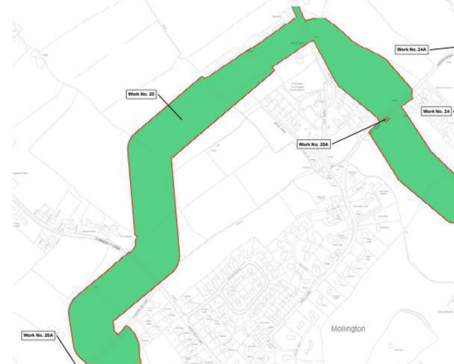

Reduction of the Order Limits to remove two residential properties and amenity curtilage at Grove Road Work No. 13 (Mollington) and Halls Green Lane Work No. 25 (South of Stanlow) (Applicant Reference PS11)

The two properties were included in error. The Applicant wants to ensure that possession of land only occurs where necessary across the Order Limits.

DCO Submission: Work No 13

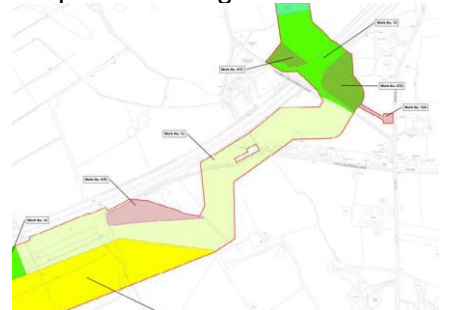

Proposed Change: Work No 13

DCO Submission: Work No 25

Proposed Change: Work No 25

The Council has no comment.

Cheshire West
and Chester

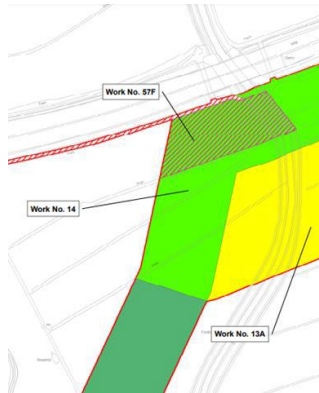

10

Reduction of the Order Limits to remove part of the east bank of the River Gowy at Work No. 13A (Applicant Reference PS12)

The change is being proposed in response to further consultation with an occupier of the land who has confirmed there is an existing lease. The Applicant wants to ensure that possession of land only occurs where necessary across Order Limits.

DCO Submission

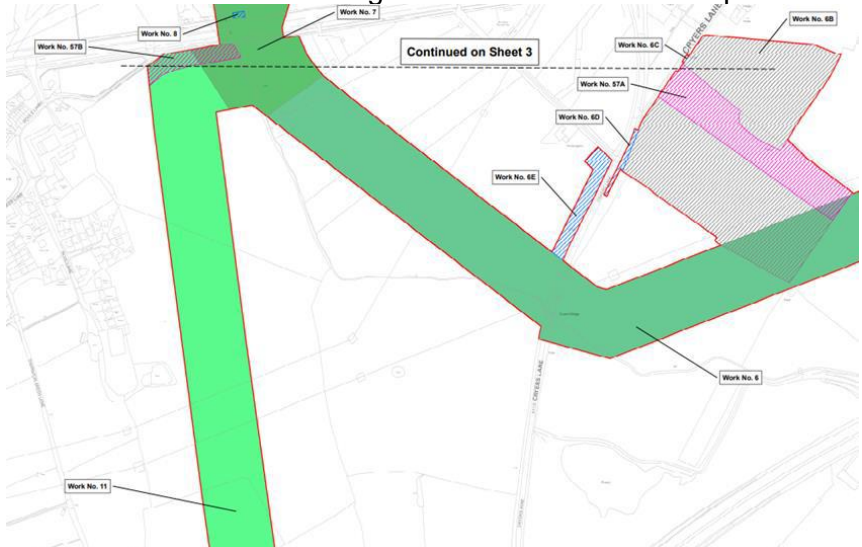

Proposed Change

The Council has no comment.

<p>12</p>	<p>Clarification of construction methodology to allow non-road mobile machinery to cross features at the surface of trenchless crossings (Applicant Reference PS15)</p> <p>The change is being proposed in response to engineering requirements. The Applicant considers that allowing non-road mobile machinery to cross features (primarily roads) at specific trenchless crossing locations will improve project execution by enabling greater efficiencies in the construction schedule and reducing the build period. In addition, this will remove vehicle movements from the local public highway and associated noise and emissions.</p> <p>No change to the Order Limits is required.</p>	<p>The Council is not clear as to the need for this change and the Council would welcome clarification from the Applicant.</p>
<p>14</p>	<p>Reduction of the Order Limits at Work No. 18 to remove a section of the Shropshire Union Canal (Applicant Reference PS18)</p> <p>The change is being proposed in response to a request from the Canal & Rivers Trust.</p> <p>DCO Submission</p>  <p>Proposed Change</p> 	<p>The Council has no comment.</p>

<p>16</p>	<p>Additional PRoW diversion near Stanlow at Work No. 11 (Applicant Reference PS20)</p> <p>The sequenced diversion of the PRoW was erroneously missed from the Application.</p> <p>DCO Submission - No change to the Order Limits is required</p> 	<p>The Council has no comment.</p>
<p>17</p>	<p>Extension of Order Limits to include existing access from Bridleway (Picton PR4) at Work No. 16a (Applicant Reference PS24)</p> <p>The change is being proposed in response to a landowner's request.</p> <p>DCO Submission Proposed Change</p>	<p>The Council has no comment.</p>
