Dear Sir/ Madam

HyNet carbon dioxide pipeline – DCO – representation at DL4. Reference ID: 20034029

1. We represent the interests of Messrs A White Events Limited, and write further to the oral hearing on Wednesday 7 June 2023

Construction compound

2. Greenacres Animal Park is a local attraction hosting a selection of farm and zoo animals, set within 80 acres. The Park includes an indoor soft play area, licensed bar/cafe, education room, gift shop and hosts various events throughout the year. A fundamental element of the attraction is the fully narrated tractor ride across a hard standing roadway throughout all the designated fields. The proposed pipeline route will effectively remove this element of the attraction throughout the construction phase and in view of the inability to relocate the ride it will significantly reduce the turnover of the business. In view of this, it is anticipated that the business will have to make job cuts. Messrs. A White Events Limited are still waiting to receive clarification as to how the aforementioned concern will be dealt with and what alternative options have been considered.

Yours faithfully
