F.A.O: Mr Christopher Butler, Lead Member of the Examining Authority (ExA)

Dear Mr Butler

LIVERPOOL BAY CCS LIMITED'S - HYNET CARBON DIOXIDE PIPELINE PROJECT

SUBMISSION OF CHESHIRE WEST AND CHESTER COUNCIL FOR EXAMINATION DEADLINE 5 (4 July 2023)

In response to your (Rule 8) letter dated 27 March 2023 [reference PD-012] setting out the Examination timetable, I am writing on behalf of Cheshire West and Chester Council with the responses for Deadline 5.

The Council's submissions for Deadline 5 comprise this letter and the following emailed to the Case officer on the 4 July 2023:

- Cheshire West and Chester Council's response to Table 2-6 of the Applicant's Comments on Submissions Received at Deadline 3 [REP4-263].
- Cheshire West and Chester Council's response to the Examining Authority's second round of written questions and requests for information (ExQ2) issued on 15 June 2023.
- Cheshire West & Chester Council – Enforcement Policy – 16 July 2014

As many issues have now been resolved and / or are adequately addressed within the ongoing commentary on the Councils Written Representation (submitted here at Deadline 5) and the Written Representation Biodiversity Addendum (last submitted at Deadline 4 [REP4-

Cheshire West & Chester Council

ADM006

277]), the Council will not be providing an immediate response to comments made by the Applicant on its Local Impact Report in table 2-7 of the Applicants submitted Comments on Submissions Received at Deadline 3 [REP4-263]. In line with this position, and so as to not prematurely respond to raised issues including biodiversity surveys the Council will also aim to respond to the updated biodiversity surveys submitted at Deadline 4 in its response to comments on its Written Representation Biodiversity Addendum at Deadline 6.

Yours faithfully

Ben Greenwood

Senior Planning Officer
