Dear Sir/Madam,

We acknowledge receipt of the agenda issued on 1st August in respect of the ISH3 on Environmental Matters and the DCO to be held on 9th August. We have reviewed the agenda and respectfully confirm that NRW will not be in attendance. NRW would refer the Examining Authority to its previous written submissions on the agenda issues, in particular its Deadline 6 submission regarding the Applicant's Hydrogeological Impact Appraisal [REP6-049].

NRW intends to provide further written advice to the ExA on the Applicant's WFD Derogation report [REP5-016] (submitted at deadline 5, along with the supporting HIA) at Deadline 6A, that being 8th August. Should the ExA have any further questions that NRW can assist with upon considering these further submissions, then we would be happy to respond in writing at Deadline 7.

Best regards,

Chris Jones
