3 July 2024

Dear Sirs

Re: Application by Liverpool Bay CCS Limited for an Order Granting Development Consent for the HyNet Carbon Dioxide Pipeline (the "Application")

Fieldfisher LLP represent British Pipeline Agency Limited ("BPA"). BPA acts as agent and operator on behalf of the United Kingdom Oil Pipelines Limited ("UKOP").

On 27 June 2023, Fieldfisher LLP submitted UKOP's Relevant Representation ("Representation").

Part 13 of Schedule 10 of the draft Development Consent Order for the Application (Revision K version 2) shows a draft version of the form of protective provisions for UKOP's apparatus and land rights. Liverpool Bay CCS Limited and BPA (on behalf of UKOP) have subsequently agreed some amendments to the protective provisions. The agreed form (with amendments in tracked) are shown in the 'Applicant's Response to the Rule 17 Request for Information' ("Protective Provisions") Document Reference Number D.7.67.

Providing the agreed Protective Provisions are included within the Order granting Development Consent, BPA (on behalf of UKOP) would like to withdraw its Representation relating to the Application.

Yours faithfully

[REDACTED]
Fieldfisher LLP
