**Planning Act 2008 (as amended) – Section 55 Application by Chrysaor Production (UK) Limited for an Order Granting Development Consent for the Viking CCS Pipeline scheme, Adequacy of Consultation request.**

Dear Caroline,

I am responding on behalf of Cambridgeshire County Council to your email communication of 24<sup>th</sup> October 2023 regarding the above.

Having had regard to Sections 42, 47 and 48 of the 2008 Planning Act, I am of the view that Chrysaor Production (UK) Limited has carried out adequate pre-application consultation in accordance with the provisions as set out in Sections 42, 47 and 48.

The Applicant has correctly identified Cambridgeshire County Council as a neighbouring authority to be a Section 43 consultee of the statutory consultation, and having read the Applicant's Consultation Report I am satisfied that they have undertaken a thorough and inclusive consultation program in support of the Viking CCS Pipeline scheme. In this respect, Cambridgeshire County Council considers the applicant's consultation to be adequate in line with Sections 42, 47 and 48 of the 2008 Planning Act.

Yours sincerely,
