Dear Sir/Madam

**Application by Chrysaor Production (UK) Limited ("the Applicant") for the Viking CCS Pipeline
Planning Inspectorate Reference: EN070008
Air Products (BR) Limited (Interested Party Reference Number: 20047092)
Response to Examining Authority's First Written Questions**

This response is submitted on behalf of Air Products (BR) Limited (**Air Products**) in response to the Examining Authority's (**ExA**) First Written Questions [**PD-010**]. Air Products' response to questions directed to it and to Affected Persons are below.

Question ID	Question	Response
1.5.23	Factual data Are any APs or Interested Parties (IPs) aware of any inaccuracies in the BoR [AS-015] SoR [AS-013] or Land Plans [AS-016]? If so, please set out what these are and provide the correct details.	<p>Air Products notes the ExA's Procedural Decision set out in Annex C of its Rule 8 letter [PD-009] accepting the Applicant's proposed changes into the Examination. Accordingly, in respect of this question, Air Products has reviewed the Book of Reference Revision B [AS-045], Statement of Reasons Revision B [AS-043] and Land Plans Revision B [AS-049] as submitted with the Applicant's formal change request.</p> <p>There appears to be a discrepancy in respect of Plot 1/57. This plot is shaded green (temporary possession and use) on the Land Plans and is included in Table 5 (Temporary Possession Land) of the Statement of Reasons, however, is described in the Book of Reference as "permanent acquisition". Air Products respectfully seeks that the Applicant clarify the powers sought in respect of Plot 1/57 at Deadline 2.</p> <p>Air Products confirms it has not identified any other inaccuracies in the documents as they relate to its land interests.</p>
1.5.28	Other Pipelines Air Products (BR) Limited raised an objection [RR-003] to the CA over land	<p>Air Products welcomes the proposed changes to the Application recently accepted into the Examination by the ExA. The removal of an option for the pipeline</p>

	<p>over which it has an interest. They have both oxygen and nitrogen pipelines within the land owned by Phillips 66. Has there been progress in trying to resolve their concerns?</p>	<p>route in section 1 has resulted in the substantial reduction of land from the Order Limits in which Air Products has an interest.</p> <p>Following the CAH1 on 27 March 2024, solicitors for the Applicant have been in contact with solicitors for Air Products and a set of draft protective provisions have been provided for review. Air Products welcomes this engagement and further opportunity to discuss with the Applicant with a view to reaching agreement on these matters.</p>
