Accompanied Site Inspection itinerary – Wednesday 26 June 2024

The itinerary for the accompanied site inspection can be found below.

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the site visit

Participants are asked to meet no later than 8.30am for a safety briefing and the site inspection will commence at 9.00am. The meeting point will be at Kenwick Park Hotel, Kenwick Park Estate, Louth LN11 8NR. Participants are asked to assemble promptly as the ExA will not wait for parties who are not present at the start time.

To ensure the smooth running of the ExA's inspection, attendees may wish to provide contact details for the day, notify the Case Team if there are any changes in attendance, and ensure the Planning Inspectorate is made aware of any special access requirements.

Please register attendance using the [Event Participation Form](#) by **Wednesday 12 June 2024** If you experience any issues using this form, please contact the Case Team at VikingCCSPipeline@planninginspectorate.gov.uk.

For logistical and safety reasons, capacity on the transport that will be used for the ASI may be limited. Priority will be afforded to the Planning Inspectorate staff, the Applicant, IPs who have notified us in advance of their wish to attend, local authorities and relevant Statutory Parties. In the case of a large number of unexpected attendees, any Interested Parties who express a wish to attend the ASI for its duration may be contacted by the Case Team to discuss the option of meeting the ExA at relevant locations in the itinerary instead.

Clothing

Attendees are recommended to wear appropriate sturdy footwear and weather appropriate clothing. The Applicant will provide high visibility vests or participants are welcome to provide their own.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Refreshments and Toilet Facilities

Please note that refreshments will not be provided but provision has been made for comfort breaks throughout the day.

Cancellations

Please note that in the unlikely event that the Accompanied Site Inspection is cancelled we shall endeavour to contact attendees beforehand, but we ask that you regularly check the Planning Inspectorate's [project webpage](#). Please note times may vary from those scheduled depending on circumstances.

Detailed itinerary for Accompanied Site Inspection

Inspection Point	Timings	Description (and special requirements)	Purpose
Wednesday 26th June 2024			
Start	8:30	Meet at Kenwick Park Hotel, Louth LN11 8NR	Park in visitor car park to join Minibus
