Purpose of CAH2

The purpose of CAH2 is to primarily to hear oral evidence from Affected Persons whose land and rights would be implicated by the Proposed Development. This includes those persons who have been accepted into the Examination having made a request under Section 102 of the Planning Act 2008.

The ExA will also seek updates from the Applicant on both specific matters and general progress in pursuit of alternatives to Compulsory Acquisition. Examine.

Attendees

Whilst all Affected Persons are welcome to attend CAH2 and provide oral submissions, the following attendees made an explicit request to speak at the Hearing and will thus be given priority. Unless otherwise informed of any time constraints that affect the attendee's availability, those registered to speak will be called in the following order:

1. Mr Peter Strawson
2. Phillips 66
3. Associated Petroleum Terminals (Immingham Limited) and Humber Oil Terminals Trustee Limited.

The ExA would find it very helpful if the following parties could attend this Hearing:

- P D Port Services
- David House
- Susan House
- Joanna House
- Anglian Water Services Limited
- Mr Mark Casswell
- R Caudwell (Produce) Ltd
- Cadent Gas Limited
- Driver and Vehicle Standards Agency
- Network Rail Infrastructure Limited
- National Gas Transmissions Plc
- VPI Immingham LLP
- Marine Management Organisation

However, this does not indicate that other parties will not be able to contribute. All Affected Persons (AP) are invited to attend and make oral representations on the matters set out in the Agenda, subject to the ExA's ability to control the Hearing.

The ExA has sought to provide sufficient detail to assist the parties to prepare for the Hearing. The details set out above are indicative and the ExA may find it necessary to include additional agenda items or to amend the order in which the items are dealt with.

Anyone wishing to attend the Hearing in person, who has not already advised the Case Team of this, should do so as soon as possible by emailing VikingCCSPipeline@planninginspectorate.gov.uk.

If you are experiencing any COVID-19 symptoms please do not attend the Hearing in person. Contact the Case Team who will ensure you have access to the Hearing virtually.

The event will be livestreamed and a link for watching the livestream will be posted on the [project webpage of the National Infrastructure Planning website](#) closer to the Hearing date. Interested Parties (IPs) and members of the public who wish to observe the Hearing can therefore view and listen to the Hearing using the livestream, or view and listen to the recording, after it has concluded.

Registration Process

Parties who have registered to speak (both in person and virtually) will receive a Joining Instruction email shortly before the Hearing which will include a link to the virtual event on Microsoft Teams, and a telephone number should they need to participate by telephone. To enable the Hearing to start on time at **09:30am** those attending virtually should join promptly at **09:00am**. This will ensure that all virtual attendees can complete the Registration Process in good time. If you are attending in person, you should ensure that you arrive at the venue at least 15 minutes before the anticipated start time of 09:30am. Registration and seating is available at the venue from 09:00am.

Procedure at CAH

Guidance under the Planning Act 2008 and the Infrastructure Planning (Examination Procedure) Rules 2010 provides that it is for the ExA to probe, test and assess the evidence through direct questions of persons making oral representations at Hearings. Questioning at the Hearing will be led by the ExA. Cross questioning of a person giving evidence by another person will only be permitted if the ExA decides it is necessary to ensure representations are adequately tested or that an IP/AP has had a fair chance to put its case.

It would also assist the ExA if written summaries of anything that you say are submitted by **Deadline 4 (Monday 29 July 2024)**.
