You don't often get email from [REDACTED]

Good afternoon,

I'm just emailing to inform you that Natural England will not be able to attend the Issue Specific Hearing 3 for the Viking CCS Pipeline project.

NE have been engaging with the applicant to resolve issues raised in our Written Representations and will provide a substantive update to our position on each issue at deadline 4. Overall, we're making progress well with regards to the HRA & Soils issues, but there are some outstanding issues regarding Landscape. The Applicant has recently issued us with an updated Landscape Technical Note & supporting information, but we are yet to review this so can't provide any further comment at this stage. The applicant should be well placed to discuss the engagement we have had to date.

We would be happy to answer any further written questions your authority may have in due course.

Kind regards,

Robbie
