

## HEARING ACTION POINTS

### Application by Chrysaor Limited for an Order Granting Development Consent for the Viking CCS Pipeline Project

Actions arising from the Issue Specific Hearing 2 held on Tuesday 16 July 2024

Action	Party	Deadline (D)
1. Provide position statement on articles 8 and 9, as well as the situation with New Roads and Street Works Act (NRSWA), and whether objections are retained as to the principle and/or wording of these Articles.	<b>Lincolnshire County Council</b>	<b>D4</b>
2. Provide further detail on the Council's road permitting scheme and how/ why it should be applicable to the Development Consent Order (DCO).	<b>Lincolnshire County Council</b>	<b>D4</b>
3. Provide commentary on whether a mechanism needs to be written into the DCO for the application of s278 of the Highways Act 1980, or whether a separate side agreement is sufficient	<b>Applicant and Lincolnshire County Council</b>	<b>D4</b>
4. Provide a detailed description of the working of Article 19 in the DCO, and whether works could/ would take place in a SSSI as a result of the Article.	<b>Applicant</b>	<b>D4</b>
5. To give examples of other DCOs where the Crown Estate have approved an Article in relation to restrictive covenants not being exercised without s135 consent having first been obtained.	<b>Applicant</b>	<b>D4</b>
6. To consider the word 'adjacent' in Article 43 of the DCO and whether this places undue burdens or restrictions on the ability for the Council to pursue land restoration conditions.	<b>Applicant</b>	<b>D4</b>
7. To review the wording of the 'without prejudice' requirement in respect of biodiversity net gain and provide any comments on the drafting.	<b>Lincolnshire County Council</b>	<b>D4</b>
8. To review the Construction Environment Management Plan (CEMP) and the Outline Landscape and Ecology	<b>All local authorities and Natural England</b>	<b>D4</b>

	Management Plan (OLEMP), with a view to checking whether such documents do satisfactorily secure biodiversity net gain to the extent that a separate requirement in the DCO is not required.		
9.	To refine or otherwise agree on the scope and limitation of articles 38 and 39, or whether a separate tree/ hedge removal schedule is required for the DCO.	<b>Applicant and Lincolnshire County Council</b>	<b>D4</b>
10.	To consider fees and whether fee increases are required in line with Lincolnshire County Council point.	<b>Applicant</b>	<b>D4</b>
11.	To consider whether the commitment with landowners to discuss with them pipeline burial depth and subsequent restrictions would be appropriate to write into the DCO.	<b>Applicant</b>	<b>D4</b>
12.	To consider whether Lincolnshire County Council can be a named consultee with Requirements 11, 12, 15 and 18 and, if so, make amendments to the DCO.	<b>Applicant</b>	<b>D4</b>
13.	To set out National Highway's objections to the deemed consent provisions in Articles 13 and 16, and the reasoning behind them.	<b>National Highways</b>	<b>D4</b>
