

HEARING ACTION POINTS

Application by Chrysaor Limited for an Order Granting Development Consent for the Viking CCS Pipeline Project

Actions arising from the Issue Specific Hearing 3 (ISH3) held on Wednesday 17 July 2024

Action	Party	Deadline (D)
1. Provide further comments on the five 'minor' outstanding issues.	Natural England (NE)	D4
2. Submit the revised Habitats Regulation Assessment and respond to the remaining issues and the latest response from NE.	Applicant	D4 (assuming that NE's comments are received by the 22 July)
3. Confirm that NE agree there is no harm to the Site of Special Scientific Interest.	Applicant	D4
4. Prepare a passing bay strategy in the area of the Thoroughfare for adding to the Construction Traffic Management Plan, and detail how traffic would be managed at the Thoroughfare / haul road interface.	Applicant	D4
5. Amend draft Development Consent Order (DCO) to be clearer as to the improvement works at the entrance adjacent to Swallow Park.	Applicant	D4
6. Respond as to whether the increased vehicle numbers in the Transport Assessment need to be reflected in an updated noise assessment as requested by East Lindsey District Council.	Applicant	D4
7. Provide a justification as to why National Highways should be an approving body, not just a consultee in respect of certain DCO requirements.	National Highways	D4
8. Provide a more detailed response concerning the site selection reasons for the central construction compound positioned in the setting of the Area of Outstanding Natural Beauty (AONB).	Applicant	D4
9. Submit the technical note which has already been supplied to Natural England	Applicant	D4

	concerning the route alignment of the pipeline within the AONB.		
10.	A meeting has taken place between the Council's ecologist and the Applicant so providing an update of any outstanding concerns.	North East Lincolnshire Council	D4
11.	Provide a further technical note to East Lindsey District Council concerning the noise impacts and the duration of these and also the proposed mitigation.	Applicant	D4
12.	Provide details of other DCO schemes which are appropriate comparators in terms of noise assessment.	Applicant and East Lindsey District Council	D4
13.	Provide updated illustrative plans to be certified showing the Block Valve Stations without the venting stacks.	Applicant	D4
14.	Provide responses to questions from Examining Authority raised at ISH3 including why they think National Policy Statement for renewable energy infrastructure (EN-3) is relevant to this Application.	Lincolnshire County Council	D4
15.	Provide a Statement of Common Ground with Historic England.	Applicant	D4
16.	Prepare scheme of evaluation followed by mitigation (Detailed archaeological mitigation strategy (DAMS)) to Lincolnshire Council in respect of Cultural Heritage matters.	Applicant	By mid August
