# Executive Summary

This Guide to the Examination Documents has been prepared on behalf of Chrysaor Production (U.K) Limited (the Applicant) to accompany an application for a Development Consent Order (DCO) for the Viking CCS Pipeline (the Proposed Development) (the Application). The Application has been submitted to the Secretary of State for Energy Security and Net Zero (DESNZ) pursuant to the Planning Act 2008 (PA 2008).

This document provides an overview of the documents included in the Application and submitted during the pre examination and examination stages. This Guide can be used to assist parties with an interest in the Application to gain an understanding of the documents included in the application, their contents and purpose and to navigate the application documents and easily locate information.

The application documents are presented in a series of volumes (as summarised below). Each volume contains a number of documents, reports and drawings which are described in this guide to the application.

- Volume 1: The application
- Volume 2: The Draft Development Consent Order and related documents
- Volume 3: Compulsory Acquisition Information
- Volume 4: Plans, Sections and Drawings
- Volume 5: Consultation Report
- Volume 6: Environmental Impact Assessment
- Volume 7: Other Documents
- Volume 8: Statements of Common Ground
- Volume 9: Documents submitted during the Examination

Previously submitted documents that have been updated for deadline 5 are highlighted in **yellow** in the table below.
