Dear Sir / Madam

As you are aware, we act for National Gas Transmission Plc ("NGT").

We are writing to update the Examining Authority further to our client's submissions in response to ExAQ2. NGT's corporate approval process has taken longer than anticipated due a change in its ownership and a subsequent change in Board composition. As such, matters have not progressed materially further than as set out in our client's ExAQ2 submission. We will update the Examining Authority further as soon as the relevant agreement is completed.

Yours faithfully

Ian Graves

Legal Director
