Subject: Natural England - Relevant Representations update - ID20049401
Date: 16 July 2024 15:29:37

You don't often get email from [REDACTED]. [Learn why this is important](#)

Good afternoon,

EN070009 H2 Teesside

We wish to update you on our relevant representations in respect of:

1. The draft Development Consent Order - In view of the range of topics on which we have signalled the need for further information and discussion, Natural England proposes to reserve comments on the wording of the draft DCO until the next deadline.
2. With respect to the project's potential impacts upon the River Tweed Special Area of Conservation (SAC) and Tweed Estuary SAC, we were unable to provide advice on the assessed effects on migratory fish (atlantic salmon and sea lamprey). We propose to offer advice on this issue at the next deadline also.

Please get in touch if we need to discuss either of these points further.

Kind regards,

Antony Muller (he/him)

Senior Officer

Strategic Plans for Places – Northumbria Area Team

[REDACTED]
<http://www.naturalengland.org.uk/>

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

Natural England offers two chargeable services – The Discretionary Advice Service ([DAS](#)) provides pre-application, pre-determination and post-consent advice on proposals to developers and consultants as well as pre-licensing species advice and pre-assent and consent advice. The Pre-submission Screening Service ([PSS](#)) provides advice for protected species mitigation licence applications.

These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, reduce the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.

Natural England is accredited to the Cabinet Office Customer Service Excellence Standard
