Dear h2teesside@planninginspectorate.gov.uk

Registration identification number: 20049368

Thank you for the Rule 6 letter received today. I am a registered IP for this examination as above.

I am writing to advise you that I am on vacation for the entirety of September, so I will miss the Deadline D1 "Written Representation" stage. I request that Inspector Butler use his discretion to give me some leeway on making my WR submission. I think the Deadline D2 of October 3rd is unrealistic for me too, as I will have very little time from returning from vacation until the deadline. So, I request that I make my Written Representation at Deadline 3, October 21st. I hope that the ExA can accommodate this request, and look forward to hearing from you.

Also, I wish to register for the hearing in the week of November 11th. This would be for any hearing on the principle issue of "Climate Change" in that week.

Yours sincerely

Dr Andrew Boswell
