During this meeting, CF Fertilisers raised their concern around the routing of the indicative pipeline through their land. The Applicant had initially suggested an alternative routing in 2022 however, at the time, CF Fertilisers did not believe this was viable. The Applicant and CF Fertilisers will continue to engage on a technical level to establish suitable routing, through their operational and non-operational land.	Issued	No	15/08/2024
