Action Points

Number.	Party	Action	Deadline
ISH1-AP1	Applicant	To produce a note explaining the varying widths of the pipeline corridors and how they have influenced the Order Limits sought, in terms of the 'Rochdale envelope', together with an explanation of how, where and why the varying widths of the pipeline corridors sought provide optionality.	Deadline 2 (Thursday 3 October 2024)
ISH1-AP2	Applicant	To produce a note (an Interrelation Report) explaining the overlaps between the Proposed Development and other Nationally Significant Infrastructure Projects and 'Major Development(s)*' within the vicinity, including Net Zero Teesside and HyGreen. The note is to demonstrate how the proposed development seeks to minimise its impact on the other developments and show the overlap of work with other schemes. To assist the Examining Authority it would help for this note to show a schedule of works, along with estimates of timings as to when those works will be undertaken and if any overlap with other works is anticipated.	Deadline 2 (Thursday 3 October 2024)
