## 1.0 H2TESSIDE ACCOMPANIED SITE INSPECTION 1 ITINERARY – 12TH NOVEMBER 2024

### 1.1 Itinerary

1.1.1 This itinerary has been developed on the basis of the Applicant’s experience of what is able to be visited in a single day. It is predominantly based on working around the suggestions put forward by Interested Parties. The Applicant appreciates that the ExA and Interested Parties will be interested in viewing other aspects of the Proposed Development, particularly at Cowpen Bewley but considers that this would not be possible in a single day. It therefore suggests that visits to that area could be facilitated at the second timetabled Accompanied Site Inspection.

1.1.2 The timetable below is based on a start time at 09:00 and the meeting point will be the Wilton Centre Car Park (TS10 4RF). The locations listed in Table 1.1 below are indicatively shown on the map at the end of this document.
