1/30	APP-008	New rights over 58075.14 square meters of pipeline structures, apparatus, handstanding, unnamed private roads, forming part of industrial premises known as Billingham Hill Road, Billingham TS23 1PX	CF Fertilisers UK Limited Head Office Building Ince Chester CH15 4LB		CF Fertilisers UK Limited Head Office Building Ince Chester CH15 4LB		Eversheds Sutherland International LLP	RR-011							No	Required, Negotiating	Negotiating	Not Withdrawn	Dalcou MacLaren has continued to engage with CF Fertilisers Limited with the last meeting being in July 2024. During this meeting, CF Fertilisers raised their concern around the routing of the indicative pipeline through their land. The Applicant had previously suggested an alternative routing in 2022 however, at the time, CF Fertilisers did not believe this was viable. The Applicant and CF Fertilisers will continue to engage on a technical level to establish suitable routing through their operational and non-operational land.	The Applicant and CF Fertilisers have continued discussions in relation to the project and has had various discussions with the Applicant and Dalcou MacLaren. Both parties have agreed in principle the way to progress, and the Applicant's solicitors are currently in the process of drafting updated agreements to provide to CF Fertilisers' solicitors. During this meeting, CF Fertilisers raised their concern around the routing of the pipeline through their land. The Applicant had initially suggested an alternative routing in 2022 however, at the time, CF Fertilisers did not believe this was viable. The Applicant and CF Fertilisers will continue to engage on a technical level to establish suitable routing through their operational and non-operational land.	The Applicant and CF Fertilisers have continued discussions in relation to the project and has had various discussions with the Applicant and Dalour MacLaren. Both parties have agreed in principle the way to progress, and the applicant's solicitors are currently in the process of drafting updated agreements to provide to CF Fertilisers' solicitors.
