Good afternoon,

**EN070009: Application by H2 Teesside Limited for an Order Granting Development Consent for the H2Teesside Project**

We represent the following interested parties in respect of H2 Teesside Limited's (the "**Applicant**") application for an Order granting Development Consent for the H2Teesside project:

- Northern Gas Processing Ltd (20049396);
- Teesside Gas and Liquids Processing (20049393); and
- Teesside Gas Processing Plant Ltd (20049397).

Together, the "**NSMP Entities**".

We are writing in accordance with examination deadline 3, to notify the Planning Inspectorate that we wish to attend the following events on behalf of the NSMP Entities (virtually, via MS Teams):

- Compulsory Acquisition Hearing 1 (**CAH1**) on Wednesday 13 November; and
- Issue Specific Hearing 2 (**ISH2**) on Thursday 14 November.

Please note that Colin Innes ( [REDACTED]@shepwedd.com) will be presenting on behalf of the NSMP Entities.

We note the examining authority directed in the hearing notification letter (issued on 15 October) that it would be helpful if the NSMP Entities could attend both events. We are available to attend both hearings, however, consider that the NSMP Entities' interests may be able to be addressed through discussions at one of the hearings only. That being the case, we suggest we provide an update at CAH1, and if appropriate and acceptable to the examining authority, we may then seek the examining authority's views on whether it is necessary to also attend ISH2.

CAH1

We consider the NSMP Entities' concerns can be addressed under agenda item 4(ii) (Individual objections, issues and voluntary agreements). We intend to briefly set out the importance of the NSMP Entities' operations and their need for unimpeded access to the Teesside Gas Processing Plant (via land plots impacted by the Project). We also intend to briefly address how the NSMP Entities' concerns could be resolved through the inclusion of protective provisions and requirements in the DCO, and provide an update on discussions with the Applicant in this respect.

The relevant land plots in which the NSMP Entities have been identified as having interests are:

- 5/46;
- 9/1, 9/2, 9/3, 9/4, 9/5;
- 10/17;
- 11/1, 11/2, 11/3, 11/4, 11/5, 11/6, 11/31, 11/50, 11/52, 11/53, 11/58, 11/59, 11/61, 11/73, 11/76, 11/105, 11/107, 11/108, 11/109, 11/115, 11/117, 11/118, 11/119; and
- 16/6, 16/9, 16/14, 16/23, 16/24, 16/27.

The examination documents we may refer to are:

- The NSMP Entities' relevant representations (RR-028, RR-030, RR-031);
- The NSMP Entities' written summary of oral submissions at ISH1 (REP1-040, REP1-046, REP1-047);
- Book of reference (REP1-004);

- The NSMP Entities' responses to ExQ1 (REP2-088, REP2-105, REP2-107);
- The NSMP Entities' written representations (REP2-089, REP2-106, REP2-108).

## ISH2

We consider the NSMP Entities' position could be addressed under agenda item 3 (Articles and Schedules of the draft Development Consent Order). We intend to briefly summarise how the NSMP Entities' concerns could be resolved through the inclusion of protective provisions and requirements in the Development Consent Order, and provide an update on discussions with the Applicant (if relevant).

The examination documents we may refer to are:

- The NSMP Entities' relevant representations (RR-028, RR-030, RR-031);
- The NSMP Entities' written summary of oral submissions at ISH1 (REP1-040, REP1-046, REP1-047);
- The NSMP Entities' responses to ExQ1 (REP2-088, REP2-105, REP2-107);
- The NSMP Entities' written representations (REP2-089, REP2-106, REP2-108).

If you have any queries, or require any further information from us, please let me know.

Yours sincerely,  
Anna
