Dear Sirs

**New Roads and Street Works Act 1991
Stopping Up Order - Qualified Objection**

Thank you for your correspondence regarding a Stopping Up Order at H2Teesside Project.

We confirm that Vodafone has apparatus in the area and advises that we have a qualified objection to the order unless you, or your applicant, provides WS Atkins with written assurances, quoting our reference above, as to the safeguarding of Vodafone apparatus and the reimbursement of costs for any works necessary. As-built records showing our apparatus are enclosed

Where Vodafone's apparatus is to remain in the stopped-up area we shall also require an undertaking that the applicant will grant a wayleave agreement to Vodafone on terms and conditions acceptable to Vodafone and the reimbursement of our (WS Atkins') costs associated with the negotiation of the said wayleave. A copy of Vodafone's standard stopping-up wayleave proforma is available on request.

A copy of the Vodafone process 4461 'Special Requirements relating to the external plant network of Vodafone' is available on request. The process provides guidance on working in the vicinity of Vodafone's apparatus.

Yours faithfully

OSM, UK and Ireland
