The H2Teesside Order 20XX

1. Introduction

- 1.1 This Book of Reference ('BoR') has been prepared on behalf of H2 Teesside Limited (the 'Applicant'). It forms part of the application (the 'Application') for a Development Consent Order (a 'DCO'), that is being submitted to the Secretary of State (the 'SoS') for the Department for Energy Security and Net Zero, under Section 37 of 'The Planning Act 2008' (the 'PA 2008') in respect of the H2Teesside Project (the 'Proposed Development').
- 1.2 The Applicant is seeking development consent for the construction, operation and maintenance of the Proposed Development, including associated development on land within the boroughs of Redcar and Cleveland and Stockton-on-Tees, Teesside and within the borough of Hartlepool, County Durham.
- 1.3 Development consent is required for the Proposed Development as it is the subject of a Direction dated 22 December 2022 made by the SoS under Sections 35(1) and 35ZA of the PA 2008 and other parts of the Proposed Development are associated development.
- 1.4 The DCO, if made by the SoS, would be known as 'The H2Teesside Order' (the 'Order').
- 1.5 This BoR has been prepared pursuant to Regulation 5(2)(d) of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ('the APFP Regulations'). It describes all the land, and identifies all the interests, affected by the Order following diligent inquiry by the Applicant.
- 1.6 The land described in this BoR, which is to be subject to powers of compulsory acquisition and temporary possession, is required for the development to which the Order relates or is required to facilitate or is incidental to that development. The works comprising the authorised development are described in Schedule 1 to the Draft Development Consent Order (Application Document Ref. 4.1) and shown on the Works Plans (Application Document Ref. 2.4).
- 1.7 Every parcel of land that is affected is identified as a plot and a unique number has been ascribed to each plot. The plots are shown on the Land Plans (Application Document Ref. 2.2) which accompany the Order, and are listed in the relevant Parts of this BoR.
- 1.8 This BoR is comprised of five Parts, in accordance with Regulation 7(1) of the APFP Regulations, as follows:
- (a) **Part 1** (Regulation 7(1)(a)) contains the names and addresses of each person within Categories 1 and 2 (as set out in

The H2Teesside Order 20XX

Section 57 of the PA 2008) in respect of any land which it is proposed is subject to:-

- Powers of compulsory acquisition;
- rights to use land, including the right to attach brackets or other equipment to buildings; or
- rights to carry out protective works to buildings;

The description of each plot also includes the reference to the principal land use power(s) sought in the draft DCO in respect of that particular plot:

- In respect of plots shaded pink on the Land Plans, where the Applicant proposes freehold to be compulsorily acquired and in relation to which it is proposed to extinguish easements, servitudes and other private rights, the plot description includes this wording: "Permanent acquisition of..."
- In respect of plots shaded blue on the Land Plans, where the Applicant proposes the permanent acquisition of new rights and in relation to which it is proposed to extinguish easements, servitudes and other private rights, the plot description includes this wording: "Permanent acquisition of new rights over ...";
- In respect of plots shaded yellow on the Land Plans, where the Applicant proposes temporary use of land and in relation to which it is proposed to extinguish or suspend easements, servitudes and other private rights, the plot description includes this wording: "Temporary possession of..."

The three categories of wording described above cross-refer to articles in the draft DCO as follows:

- "Permanent acquisition of" – the compulsory acquisition of land pursuant to article 22 (compulsory acquisition of land) of the draft DCO.
- "Permanent acquisition of new rights over ..." – the creation and compulsory acquisition of new rights over land pursuant to article 25 (compulsory acquisition of rights etc.) of the draft DCO.
- "Temporary possession of..." – the temporary possession and use of land for the purposes of constructing the authorised development pursuant to article 32 (temporary use of land for carrying out the authorised development), and for the purposes of maintaining the authorised development pursuant to article 33 (temporary use of land for maintaining the authorised development) of the draft DCO.

The H2Teesside Order 20XX

It should be noted that whilst the descriptions in this Book of Reference refer to the principal land use power sought in the DCO, The Applicant also seeks the power to temporarily possess all of the land within the Order limits and to suspend the exercise of existing easements, servitudes and other rights over the land during any period in which it is temporarily possessed.

Category 1 persons are defined as those who own, lease, or hold a tenancy in relation to or occupy the land (section 57(1) of the PA 2008). Category 2 persons are those who have an interest in the land or have the power to sell and convey or to release such land (section 57(2) of the PA 2008).

- (b) **Part 2** (Regulation 7(1)(b)) contains the names and addresses of those persons within Category 3.
Category 3 persons are defined in section 57(4) of the PA 2008 and are persons whose land, whilst not directly affected by the authorised development, may be entitled to claim compensation under Section 10 Compulsory Purchase Act 1965, Part 1 of the Land Compensation Act 1973 or Section 152(3) of the PA 2008, for loss resulting from the implementation of the Order and use of the land once the Order has been implemented;

- (c) **Part 3** (Regulation 7(1)(c)) contains the names and addresses of those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed may be extinguished, suspended or interfered with in connection with the authorised development, pursuant to the Order;

- (d) **Part 4** (Regulation 7(1)(d)) identifies land which is proposed to be used for the purposes of the Order and in which there is a Crown interest; Crown Land is included within the order limits and is identified in the Special Category Land and Crown Land Plans (Application Document Ref. 2.3).

The H2Teesside Order 20XX

(e) **Part 5** (Regulation 7(1)(e)) identifies plots:-

- the acquisition of which is subject to special parliamentary procedure;
- which are special category land; or which are replacement land

The draft DCO also proposes the compulsory acquisition of land, and rights over land, that is open space, and which engages sections 131 and 132 of PA 2008. The Applicant proposes to replace that open space land with land to be given in exchange and which will be vested in the owners of the open space land and subject to the same rights, trusts and incidents as are currently attached to the open space that is proposed to be acquired for the Proposed Development. The open space and replacement land is identified in the Special Category Land and Crown Land Plans (Application Document Ref. 2.3) and is listed in Part 5 of this BoR.

~~4.9 — This updated Book of Reference accompanies the Applicant's Change Request Application and shows the changes to the plots and land requirements caused by the changes to the DCO Application in the Change Request Application. Plots which are categorised as Additional Land according to the Infrastructure Planning (Compulsory Acquisition) Regulations 2010, being additional land included within the Order limits as well as changes to the rights sought over plots already included in the Order limits, have been highlighted in yellow to assist with the identification of the plots and interests affected by this element of the Change Request Application.~~
