463	<a href="#">MLA/2024/00327</a>	<a href="#">Marine Management Organisation</a>	<p>The heart of the proposal is to install a floating island into the dock that would provide opportunity for additional biodiversity habitat and potential for nesting birds. The structure could also provide an ‘anchor’ for additional habitat e.g. fish / oyster cages.</p> <p>In addition to the floating island(s) it is proposed that enhancements are place on the edges of the dock to provide additional habitat. These will include structures to allow colonisation by marine invertebrates. Some of these structures can be secured to the dock walls. The dock is subject to changes in water level due to tidal patterns.</p>	<a href="#">Middlehaven Dock, Middlesbrough</a>	<a href="#">6.9</a>	<a href="#">7.11</a>	<a href="#">1.98</a>	<a href="#">Construction complete by March 2025 and Monitoring and Maintenance expected to be completed by end of October 2025.</a>	<a href="#">Completed (Discharging conditions)</a>	<a href="#">1</a>
