 - a. The Applicant and Anglo American have agreed to not submit an updated Statement of Common Ground. This is because the Applicant’s position on the points of contention are outlined in Document Ref. 8.50 – Responses to landowner Deadline 7A Submissions and its deadline 7A submissions [REP7a-025] and [REP7a-026]. As such, preparing a separate document outlining these matters would be duplicative.

The following documents/drawings has been provided on a ‘Without Prejudice’ basis, to cater for the ‘without Cowpen Bewley arm’ scenario:

27. Document Ref. 2.2 (Rev3a) – Land Plans (Key Plan and Sheets 1-21).
