## OFFICIAL

Dear Mr Price

### **Draft M20 Junction 10a Development Consent Order**

### **Planning Act 2008**

### **Response to advice following issue of acceptance decision**

I refer to the above-mentioned application for the development consent order which was accepted on 11 August 2016 for examination by the Planning Inspectorate, and to the Inspectorate's letters to Salvatore Zappala dated 11 August 2016 (Section 51 advice) and 21 September 2016 (Procedural decision).

Please find enclosed the following documents in response to the above letters:

Applicant Document Reference Number	Description / Content
HA514442-MMGJV-GEN-SMW-RE-Z-9201	Summary table of responses to S51 advice and s55 checklist Revision A
HA514442-MMGJV-GEN-SMW-RE-Z-2200	Land Plans Revision B
HA514442-MMGJV-GEN-SMW-RE-Z-2300	Works Plans Revision B
HA514442-MMGJV-GEN-SMW-RE-Z-3100	Draft Development Consent Order Revision B
HA514442-MMGJV-GEN-SMW-RE-Z-4300	Book of Reference Revision B (this is the same version as submitted with the Highways England Certificates of compliance with s56, s59 and regulation 13 on 5 October 2016)
HA514442-MMGJV-GEN-SMW-RE-Z-7100	Case for the Scheme Revision B

Highways England has also provided a revision to the Case for the Scheme (document 7.1), with a refined Benefit Cost Ratio. This now includes the costs of maintenance, and a calculation of the agglomeration benefits of the scheme. This is in chapter 5, explained in new paragraphs 5.3.7 to 5.3.13.

I should be grateful if you would please acknowledge safe receipt of the enclosed documents.

Yours sincerely
