Dear Mr Shala

Planning Act 2008 (as amended) – section 87 and section 102A

Application by Highways England for an order granting development consent for the M20 Junction 10a

Request to become an Interested Party

On 29 November 2016 we received an application from you to become an Interested Party under s102A of the Planning Act 2008 (PA2008).

I responded to your letter on the same date requesting for you to provide further information to assist my decision about whether your interest would fall within one or more of the categories in s102B of the PA2008. That response is enclosed.

From our records it appears that you have not responded to my letter of 29 November.

If a response is not received from you enclosing documentary evidence of title to the interest you hold (and, if that interest is registered at the Land Registry, it should include up to date official copies of the register and title plan), I will remain unable to make a decision in respect of your application.

Please contact the Planning Inspectorate's case manager, Richard Price, if you require any clarification about the content of this letter. His details are below:

Yours sincerely
