Subject: Increased Working Hours
Date: 18 July 2019 19:39:15

I live in one of the houses directly impacted by the so called improvement works.

It's bad enough with all the dirt, mess, noise and disturbance during the current working hours. I disagree with extending these hours especially to include Sunday's and bank holidays. I have a young family who are already disturbed by the works during the current working hours and I didn't want any further inconvenience.

Regards

Julia Miller
