Dear Sirs,

09 February 2015

**PLANNING ACT 2008:
APPLICATION FOR THE CORNWALL COUNCIL (A30 TEMPLE TO HIGHER
CARBLAKE IMPROVEMENT) ORDER**

1. I refer to my letter of 5 February 2015 notifying you of the Secretary of State's decision on your Council's application for a Development Consent Order for the above scheme. Paragraph 37 of that letter set out the Secretary of State's satisfaction in relation to the tests in sections 131(3) and (11) and 132(2) and (11) of the Planning Act 2008 ("the 2008 Act") with regard to the provision of replacement land for common land to be acquired, or over which rights were to be acquired. However, it has been brought to my attention that the Development Consent Order which I made on 5 February on behalf of the Secretary of State inadvertently omits the record required by sections 131(3)(b) and 132(2)(b) of the 2008 Act confirming the Secretary of State's satisfaction.

2. We are considering correcting this omission in accordance with the provisions in Schedule 4 to the 2008 Act. This letter is to be taken as the statement in writing to that effect to the applicant required by paragraph 1(5)(b) of that Schedule. It is also to be taken to fulfil the requirement at paragraph 1(7) of that Schedule to inform each relevant local planning authority of the Secretary of State's intentions.

Yours faithfully,

Stephen Cave
