Dear Mr Wright

Application by Norfolk County Council for an Order Granting Development Consent for the Norwich Northern Distributor Road (NDR)

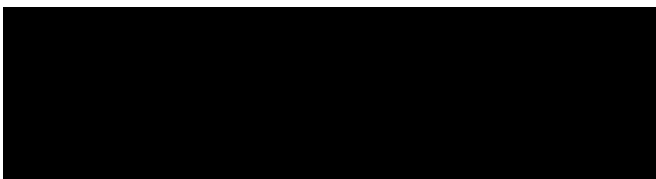

Thank you for your letter received 21 August 2014, passing on the concerns of your constituent Mary Dunn in her e-mail of 29 June 2014.

Ms Dunn is an interested party to the Norwich Northern Distributor Road examination, so she has been informed as to the progress of the examination and the opportunities that she has to participate. In making a relevant representation she has already provided a submission to the examination that will be taken into account by the Examining Authority.

Many of the topics that Ms Dunn raises in her e-mail, and you summarise in your letter, are being explored through written submissions, including responses to questions posed by the Examining Authority. The matter of value for money, for example, is scheduled as a substantive topic for the issue specific hearing planned for 16 September 2014.

I have passed Ms Dunn's e-mail together with your covering letter to the Examining Authority, and they have accepted these as additional representations to the examination.

Yours sincerely

Simon Ridley
Chief Executive
