Good afternoon,

In response to your letter dated 20 September 2018, please take this email as confirmation that North Lincolnshire Council as an adjacent Local Authority considers that the developer has carried out adequate pre-application consultation in respect of the above application for an Order granting development consent for the A63 Castle Street Improvement scheme and that they have complied with the relevant duties set out in your letter.

Hopefully this has provided the necessary clarification; however do not hesitate to contact me should you wish to discuss this matter further.

kind regards
