Dear Sir / Madam,

**No Objection to Planning Application at:**

**Proposed Highway Improvement Works, A63 Castle Street, Hull.**

Northern Gas Networks acknowledges receipt of the planning application and proposals at the above location.

Northern Gas Networks has no objections to these proposals, however there may be apparatus in the area that may be at risk during construction works and should the planning application be approved, then we require the promoter of these works to contact us directly to discuss our requirements in detail. Should diversionary works be required these will be fully chargeable.

We enclose an extract from our mains records of the area covered by your proposals together with a comprehensive list of precautions for your guidance. This plan shows only those mains owned by Northern Gas Networks in its role as a Licensed Gas Transporter (GT). Privately owned networks and gas mains owned by other GT's may also be present in this area. Where Northern Gas Networks knows these they will be represented on the plans as a shaded area and/or a series of x's. Information with regard to such pipes should be obtained from the owners. The information shown on this plan is given without obligation, or warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, siphons, stub connections, etc., are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Northern Gas Networks, its agents or servants for any error or omission. The information included on the enclosed plan should not be referred to beyond a period of 28 days from the date of issue.

If you have any further enquires please contact the number below.

Yours faithfully,

JENNIE ADAMS  
Network Records Assistant
