Dear Sir/Madam

Planning Act 2008 (as amended) and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 17

Application by Highways England for an Order Granting Development Consent for the A63 Castle Street Improvement Scheme

Request for further information

You have requested the opportunity to attend a hearing in the week commencing 15 July rather than the hearings which took place last week.

This request was made on the basis that you were hopeful that the additional time would enable discussions with the Applicant which could resolve the issue without the need for further representations.

It will be necessary to finalise any hearings planned for July very shortly, bearing in mind the requirements for hearings to be publicised in advance. Therefore, in order to avoid scheduling a hearing that may prove to be unnecessary, I would be grateful if you would confirm to me as soon as possible, but in any event before **Deadline 3** (Monday 17 June 2019), whether you have, in fact, been able to resolve matters such that you no longer wish to attend a hearing.

I'm sure that you will appreciate the importance of this in the interests of running an efficient examination.

Yours Faithfully

Peter Willows
