Dear Sir

Application by Highways England for an Order granting Development Consent for the A63 Castle Street Improvement Scheme

Further to your letter dated 11 June 2019 regarding a request for confirmation necessary to finalise any hearings planned for July 2019.

We can confirm that some heads of terms in relation to a Settlement Agreement with Highways England have been agreed; however, there are a number of matters which remain outstanding and negotiations are ongoing.

Consequently, our client wishes to retain the opportunity to appear before the Inspector at the hearing date scheduled for the week commencing 15 July. In order to assist the scheduling, we will of course inform you as soon as possible should that requirement change.

Yours faithfully

SHULMANS LLP
