Dear Sir

**Planning Act 2008 (As Amended) and the Infrastructure Planning (Examination Procedure)
Wills 2010 – Rule 17
Application by Highways England for an order granting Development Consent for the A63
Castle Street Improvement Scheme
Request for further Information**

We refer to your letter dated 11 June 2019.

In relation to the position regarding the Princes Quay Retail Limited representation, we have forwarded a separate letter to you also with today's date. In short, Highways England have agreed to amend the DCO to meet my client's objection and we are awaiting confirmation from you that the DCO has been so amended. Subject to this we will not wish to appear at the hearing in the week commencing 15 July 2019 on behalf of this client.

In relation to Princes Quay Estates Limited, a Settlement Agreement has been agreed and is in the process of being engrossed and executed. Until such time as the Settlement Agreement is executed and completed, we cannot confirm that this client will not wish to attend a hearing in the week commencing 15 July 2019 however, at present, this looks unlikely. We will update you further if, as anticipated, the document is completed.

My colleague, Emma Thomas is acting for Mytongate Development Company Limited and will respond to you separately in respect of its representation.

Yours faithfully
