**Attachments:** ufm22.pdf

Dear Mr Mounce,

Thank you for your email of 8/4/19, seeking HSE's observations on planning application 19/00333/FULL for Application for full planning permission for the demolition and partial rebuilding of the Earl de Grey public house; erection of link extension to Castle Buildings and the Earl de Grey; external alterations to Castle Buildings; use of relocated Earl de Grey, Castle Buildings and link extension for café or restaurant (A3) and/or drinking establishment (A4) and/or office (B1a); the erection of a nine-storey hotel; new public realm and associated works, including landscaping, car parking and servicing, and associated infrastructure at Land To The North Of Castle Street And South-East Of Waterhouse Lane, Including Castle Buildings And The Earl De Grey Public House Kingston Upon Hull HU1 2DA.

HSE is a statutory consultee for certain developments within the consultation distance (CD) of major hazard sites and major accident hazard pipelines, and has provided planning authorities with access to HSE's Planning Advice WebApp <https://pa.hsl.gov.uk>.

I should therefore be grateful if you would arrange for HSE's Planning Advice WebApp to be used to consult HSE for advice on this application, to see if it lies within the CD of a Major Hazard Site or Pipeline.

Should you or your colleagues need any additional help in using the new WebApp to obtain HSE's advice on a proposed development, a central support service is available at [lupenquiries@hsl.gsi.gov.uk](mailto:lupenquiries@hsl.gsi.gov.uk) or by telephone on 0203 028 3708.

Many thanks

**Andrew Hodge**
