

A63 Castle St Improvement Scheme - Hull

Examining Authority's Record of an unaccompanied inspection of the application site and its surroundings (Unaccompanied Site Inspection 1)

Date: Monday 25 March 2019

Time: 1530-1630

Present:

- Peter Willows – Examining Authority (ExA)
- Robert Ranger – Case Manager
- Manveer Phull – Case Team

Details

The inspection was undertaken on foot. Visibility was good.

The route taken was as follows:

1. Commenced at the St Stephen's shopping centre and headed south along Ferensway towards Castle St.
2. Turned east, initially along the northern side of the A63 Castle St, crossing to the southern side at a pedestrian crossing.
3. Continued east up to High St.
4. Followed High St under the bridge and then returned back to the southern side of Castle St.
5. Headed west on Humber St to Humber Dock St, and returned to Castle St.
6. West along Castle St, then past the Holiday Inn to the Railway Dock Marina.
7. West alongside the Railway Dock Marina and then north to the Trinity Burial Ground.
8. To Commercial Rd and then through the Kingston Retail Park to Lister St.
9. West along Lister St to St James St and then north to the A63 Hessle Rd.
10. Across the A63 and along Porter St to William St.
11. East along William St to return to the A63.
12. East along the A63 to the Mytongate junction.
13. North along Ferensway to return to the starting point.
