Dear Sir

Application by Highways England for an Order granting Development Consent for the A63 Castle Street Improvement Scheme
Our client: Mytongate Development Company Limited

Further to our letter of 17 June 2019 we are writing to confirm that we are very close to finalising a settlement agreement with Highways England but we wish to reserve the right to speak on behalf of our client at the hearing on 18 July 2019 if the outstanding points cannot be agreed.

We will of course update you with regards to this position as soon as possible in order to assist the inspector in advance of Thursday's hearing.

Yours faithfully

SHULMANS LLP
