Dear Sirs

**Our Client; Aivilo Properties Limited
The A63 Castle Street Improvement Scheme**

Further to our earlier email which is addressed to you and dated 1st March, 2018, and the documents which accompany that email, could you please treat this letter as an addendum to the objection to the Scheme which is contained in our open letter which is dated 1st March 2018, and also notice that our Client reserves the right to seek the payment of compensation, on the grounds that the construction of the overpass on the site, which, we are informed, was not mentioned in the original material relating to the Scheme, is causing our Client to suffer financial loss in the approximate sum of £2,000.00 per calendar month.

Yours faithfully

G. Swann
