

A14 Cambridge to Huntingdon improvement scheme

Environmental Statement Appendices

Appendix 6.1: Technical authors

Date: December 2014

6.3

Page left intentionally blank.

1	Introduction	1
1.1	Purpose of this appendix	1

1 Introduction

1.1 Purpose of this appendix

1.1.1 This appendix includes an overview of the principle authors of the chapters and appendices in the *A14 Cambridge to Huntingdon improvement scheme Environmental Statement*. Table 1.1 below lists these authors and key qualifications.

Table 1.1: Authors and key qualifications

Chapter/ appendix	Author	Key qualifications
Environmental Statement overview and senior review	Shirley Henderson, J2A	Doctor of Philosophy in Aquatic Ecotoxicology Master of Science in Environmental Pollution Control Management Bachelor of Science (Honours) in Life Sciences Chartered Environmentalist Member of the Institute of Environmental Management and Assessment
Environmental Statement technical review	Adrian Dawes, J2A	Master of Science in Environmental Protection and Pollution Control Bachelor of Science (Honours) in Chemistry Chartered Environmentalist Member of the Institute of Environmental Management and Assessment
	Peter Marsden, J2A	Bachelor of Science (Honours) in Human Ecology Chartered Environmentalist
	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Chapter 1:</i> Introduction	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Chapter 2:</i> Location and context	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Chapter 3:</i> Description of the scheme	Stuart Tweedy, J2A	Master of Science in Environmental Management and Sustainable Development Bachelor of Science (Honours) in Geography Associate Member of Institute of Environmental Management and Assessment

Chapter/ appendix	Author	Key qualifications
	Tom Rogers, J2A	Master of Science in Integrated Environmental Studies Bachelor of Science (Honours) in Zoology Chartered Environmentalist Member of Institute of Environmental Management and Assessment Member of Chartered Institute of Ecology and Environmental Management
<i>Chapter 4:</i> Main alternatives	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Chapter 5:</i> Consultation	Whitney Adam, J2A	Bachelor of Planning (Honours)
	Lindis Danson, J2A	Master of Arts in Landscape Architecture Chartered Member of the Landscape Institute
<i>Chapter 6:</i> Approach to the EIA	Lindis Danson, J2A	Master of Arts in Landscape Architecture Chartered Member of the Landscape Institute
	Jenny Wade, J2A	Master of Science in Environmental Management Bachelor of Arts (Honours) in Geography Chartered Environmentalist Member of Institute of Environmental Management and Assessment
<i>Chapter 7:</i> Traffic and transport	Oliver Hart, J2A	Post Graduate Certificate in Education in Leadership and Management Bachelor of Engineering (Honours) in Civil Engineering Chartered Engineer Member of the Institution of Civil Engineers
	John Webber, J2A	Master of Engineering (Honours) in Civil Engineering Member of the Institution of Highways and Transportation
<i>Chapter 8:</i> Air quality	James Bellinger, J2A	Master of Science in Environmental Technology Member of the Institute of Air Quality Management Member of the Institute of Environmental Sciences Associate Member of the Institute of Environmental Management and Assessment
<i>Chapter 9:</i> Cultural heritage	Adam Brossler, J2A	Postgraduate Certificate in Architectural History Bachelor of Arts (Honours) in Archaeology and Prehistory Member of the Institute for Archaeologists
	Sandra Honeywell, J2A	Master of Arts (Honours) in Archaeology Master of Arts in Archaeology of Historic Buildings

Chapter/ appendix	Author	Key qualifications
	Calli Rouse, J2A	Bachelor of Arts (Honours) in Archaeology
Chapter 10: Landscape	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute
Chapter 11: Nature conservation	Russell Cryer, J2A	Postgraduate Diploma in Conservation Management Postgraduate Certificate in Supervisory Management Bachelor of Technology (Honours) in Applied Biology, specialising in ecology Chartered Environmentalist Full Member of Chartered Institute of Ecology and Environmental Management
	Ken Lipscomb, J2A	Master of Science in Biodiversity and Conservation Bachelor of Science (Honours) in Zoology Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Sally Fraser, J2A	Doctor of Philosophy in Ecological Science Bachelor of Science (Honours) in Ecological Sciences and Wildlife Management Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Alexandra Jeal, J2A	Master of Science in Ecological Impact Assessment Bachelor of Science (Honours) in Environmental Biology Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Rob Dray, J2A	Postgraduate Certificate in Environmental Technology Bachelor of Science (Honours) in Environmental Science Full Member of the Chartered Institute of Ecology and Environmental Management
	Jon Barnes, J2A	Master of Science in Marine Environmental Protection Bachelor of Science (Honours) in Marine Biology Full Member of the Chartered Institute of Ecology and Environmental Management

Chapter/ appendix	Author	Key qualifications
	Eleanor Ballard, J2A	Doctor of Philosophy in Ecology Postgraduate Diploma in GIS Bachelor of Science (Honours) in Environmental Science Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
Chapter 12: Geology and soils	Jane Thrasher, J2A	Doctor of Philosophy in Applied Geology / Geochemistry Bachelor of Science in Geological Sciences Chartered Geologist Fellow of the Geological Society
	Geoff Hood, J2A	Bachelor of Science in Environmental Earth Science Chartered Scientist Fellow of the Geological Society
Chapter 13: Materials	Sara Craze, J2A	Master of Science in Environmental Management and Technology Bachelor of Science in Environmental Sciences and Geography Chartered Waste Manager Member of Institution of Wastes Management
	Andrew Davis, J2A	Bachelor of Science in Environmental Science Chartered Waste Manager Member of Institution of Wastes Management
Chapter 14: Noise and vibration	Martin Butterfield, J2A	Master of Science in Acoustics and Noise Control Chartered Engineer Member of the Institute of Acoustics
	Richard Greer, J2A	Bachelor of Science in Engineering Acoustics and Vibration Fellow of the Institute of Acoustics
	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society

Chapter/ appendix	Author	Key qualifications
	Greg Harris, J2A	Master of Science in Acoustics and Noise Control Member of the Institute of Acoustics
	David Owen, J2A	Bachelor of Engineering in Acoustics and Vibration Chartered Engineer Member of the Institute of Acoustics
<i>Chapter 15:</i> Effects on all travellers	Jenny Wade, J2A	Master of Science in Environmental Management Bachelor of Arts (Honours) in Geography Chartered Environmentalist Member of Institute of Environmental Management and Assessment
<i>Chapter 16:</i> Community and private assets	Jake Kuyer, J2A	Master of Science in Ecological Economics
	Marc Postle, J2A	Master of Science in Experimental Economics
<i>Chapter 17:</i> Road drainage and the water environment	Andrew Brookes, J2A	Doctor of Philosophy in Environmental Science Bachelor of Science in Geography Chartered Environmentalist Chartered Scientist Chartered Water and Environmental Manager Chartered Geographer
	Katy Kemble, J2A	Master of Science in Integrated Management of Freshwater Environments Bachelor of Science (Honours) in Physical Geography Member of Chartered Institution of Water and Environmental Management
	Vanina Saint- Martin, J2A	Master of Science in Hydrogeology Bachelor of Science in Applied Geology
	Oonagh Duffy, J2A	Master of Science in Environmental Engineering Bachelor of Science in Environmental Science
<i>Chapter 18:</i> Cumulative effects and impact interactions	Lynne Bonsall, J2A	Master of Science (Honours) in Environmental Monitoring and Analysis Bachelor of Science in Geography Associate Member of the Royal Town Planning Institute

Chapter/ appendix	Author	Key qualifications
	Jenny Wade, J2A	Master of Science in Environmental Management Bachelor of Arts (Honours) in Geography Chartered Environmentalist Member of Institute of Environmental Management and Assessment
<i>Chapter 19:</i> Summary of the environmental impact assessment	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Chapter 20:</i> Environmental management	Tom Rogers, J2A	Master of Science in Integrated Environmental Studies Bachelor of Science (Honours) in Zoology Chartered Environmentalist Member of Institute of Environmental Management and Assessment Member of Chartered Institute of Ecology and Environmental Management
<i>Chapter 21:</i> Glossary	N/A	N/A
<i>Appendix 3.1:</i> Structures, gantries, watercourse realignments, culverts, and crossings schedule	Tom Rogers, J2A	Master of Science in Integrated Environmental Studies Bachelor of Science (Honours) in Zoology Chartered Environmentalist Member of Institute of Environmental Management and Assessment Member of Chartered Institute of Ecology and Environmental Management
<i>Appendix 3.2:</i> Construction information	Tom Rogers, J2A	Master of Science in Integrated Environmental Studies Bachelor of Science (Honours) in Zoology Chartered Environmentalist Member of Institute of Environmental Management and Assessment Member of Chartered Institute of Ecology and Environmental Management
<i>Appendix 3.3:</i> Borrow pit restoration proposals	Tim Hammond, J2A	Post Graduate Diploma in Town and Regional Planning Post Graduate Diploma Land and Water Management Bachelor of Science in Geography and Geology Member of the Royal Town Planning Institute

Chapter/ appendix	Author	Key qualifications
<i>Appendix 5.1:</i> Scoping consultees and review of scoping opinion	Mark Uren, J2A	Master of Science in Environmental Protection and Management Bachelor of Science (Honours) in Geography
<i>Appendix 6.1:</i> Technical authors	N/A	N/A
<i>Appendix 8.1:</i> Air quality data	Michael Bull, J2A	Doctor of Philosophy in Public Health Engineering (Diploma of Imperial College) Chartered Engineer Chartered Scientist Chartered Environmentalist Member of the Institute of Chemical Engineering Member of the Institute of Environmental Sciences Fellow of the Institute of Air Quality Management
	James Bellinger, J2A	Master of Science in Environmental Technology Member of the Institute of Air Quality Management Member of the Institute of Environmental Sciences Associate Member of the Institute of Environmental Management and Assessment
	Lesley-Anne Stone, J2A	Bachelor of Science in Mathematics and Meteorology Member Institute of Air Quality Management Member of the Institute of Environmental Sciences
<i>Appendix 9.1:</i> A14 cultural heritage gazetteer	Sandra Honeywell, J2A	Master of Arts (Honours) in Archaeology Master of Arts in Archaeology of Historic Buildings
<i>Appendix 9.2:</i> Archaeology and built heritage baseline list	Sandra Honeywell, J2A	Master of Arts (Honours) in Archaeology Master of Arts in Archaeology of Historic Buildings
<i>Appendix 9.3:</i> Cultural heritage desk based study	Sandra Honeywell, J2A	Master of Arts (Honours) in Archaeology Master of Arts in Archaeology of Historic Buildings
<i>Appendix 10.1:</i> Details of relevant landscape planning policies	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute
<i>Appendix 10.2:</i> Visual effects schedule: residential	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute

Chapter/ appendix	Author	Key qualifications
properties	Rupert Lovell, J2A	Master of Arts in Landscape Design Diploma in Urban Design Chartered Landscape Architect
	Alister Simpson, J2A	Diploma in Urban Design Bachelor of Landscape Architecture Chartered Member of the Landscape Institute
<i>Appendix 10.3:</i> Visual effects schedule: commercial properties	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute
	Rupert Lovell, J2A	Master of Arts in Landscape Design Diploma in Urban Design Chartered Landscape Architect
	Alister Simpson, J2A	Diploma in Urban Design Bachelor of Landscape Architecture Chartered Member of the Landscape Institute
<i>Appendix 10.4:</i> Visual effects schedule: public rights of way	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute
	Rupert Lovell, J2A	Master of Arts in Landscape Design Diploma in Urban Design Chartered Landscape Architect
	Alister Simpson, J2A	Diploma in Urban Design Bachelor of Landscape Architecture Chartered Member of the Landscape Institute
<i>Appendix 10.5:</i> Visual effects schedule: public receptors	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute
	Rupert Lovell, J2A	Master of Arts in Landscape Design Diploma in Urban Design Chartered Landscape Architect
	Alister Simpson, J2A	Diploma in Urban Design Bachelor of Landscape Architecture Chartered Member of the Landscape Institute
<i>Appendix 10.6:</i> Beneficial visual effects due to anticipated reduction in traffic	Helen Bradley, J2A	Diploma in Landscape Architecture Bachelor of Arts (Honours) in Landscape Architecture and Town Planning Chartered Member of the Landscape Institute

Chapter/ appendix	Author	Key qualifications
<i>Appendix 10.7:</i> Detailed methodology used for production of zone of theoretical visibility and photomontages	Jeremy Parr, J2A	Bachelor of Arts (Honours) in Landscape Architecture Chartered Member of the Landscape Institute
<i>Appendix 11.1:</i> Phase 1 habitats	Ann Sherwood, J2A	Bachelor of Science (Honours) in Biological Sciences Full member of The Chartered Institute of Ecology and Environmental Management.
<i>Appendix 11.2:</i> Aquatic invertebrates	Jon Barnes, J2A	Master of Science in Marine Environmental Protection Bachelor of Science (Honours) in Marine Biology Full Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.3:</i> Freshwater fish	Jon Barnes, J2A	Master of Science in Marine Environmental Protection Bachelor of Science (Honours) in Marine Biology Full Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.4:</i> Great crested newt	Rhian Lewis, J2A	Bachelor of Science (Honours) in Biological Sciences Associate member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.5:</i> Reptiles	Brett Lewis, J2A	Doctor of Philosophy in Environmental Management Master of Science in Environmental Management Bachelor of Science (Honours) in Biodiversity and Environmental Management Full Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.6:</i> Birds	Dan Bennett, J2A	Bachelor of Science (Honours) in Ecology Full Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.7:</i> Barn owl	Dan Bennett, J2A	Bachelor of Science (Honours) in Ecology Full Member of the Chartered Institute of Ecology and Environmental Management

Chapter/ appendix	Author	Key qualifications
<i>Appendix 11.8:</i> Bats	Alexandra Jeal, J2A	Master of Science in Ecological Impact Assessment Bachelor of Science (Honours) in Environmental Biology Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Steve Hancock, J2A	Master of Research in Recycling Technology Bachelor of Science (Honours) in Environmental Biology Full Member of the Chartered Institute of Ecology and Environmental Management
	Gemma Russell, J2A	Bachelor of Science (Honours) in Animal Behaviour and Wildlife Biology Full Member of the Chartered Institute of Ecology and Environmental Management
	Clare Smith, J2A	Bachelor of Science (Honours) in Environmental Sciences Graduate Member of the Chartered Institute of Ecology and Environmental Management
	Martina Girvan, J2A	Doctor of Philosophy in Molecular Ecology Master of Science in Ecology Bachelor of Science (Honours) in Environmental Biology Chartered Ecologist Member of the Chartered Institute of Ecology and Environmental Management
	Brandon Murray, J2A	Bachelor of Science (Honours) in Biology (Conservation and Biodiversity) Associate Member of the Chartered Institute of Ecology and Environmental Management
	Kevin Hume, J2A	Doctor of Philosophy in Evolutionary Ecology Post Graduate Certificate in Education Bachelor of Science (Honours) in Zoology Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 11.9:</i> Riparian mammals	Brett Lewis, J2A	Doctor of Philosophy in Environmental Management Master of Science in Environmental Management Bachelor of Science (Honours) in Biodiversity and Environmental Management Full Member of the Chartered Institute of Ecology and Environmental Management

Chapter/ appendix	Author	Key qualifications
<i>Appendix 11.10:</i> Badger	Adrian Hutchings, J2A	Master of Science in Landscape Ecology Post Graduate Diploma in Geographical Information Systems, Design and Management Bachelor of Science (Honours) in Geography and Biology National Council for Vocational Qualifications/Training and Development Lead Body in Vocational Assessor and Verifier Units D32, D33 and D34 Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management,
<i>Appendix 11.11:</i> Compliance with protected and controlled species legislation	Eleanor Ballard, J2A	Doctor of Philosophy in Ecology Postgraduate Diploma in GIS Bachelor of Science (Honours) in Environmental Science Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Brian Sutton, J2A	Doctor of Philosophy in Environmental Science Bachelor of Science in Geography Chartered Environmentalist Full Member of the Chartered Institute of Ecology and Environmental Management
	Fay Lagan, J2A	Master of Science in Applied Environmental Sciences Bachelor of Science (Honours) in Zoology Chartered Environmentalist Full Member of the Institute of Environmental Management and Assessment
<i>Appendix 11.12:</i> Assessment of implications on European sites Stage 1: No significant effects report	Russell Cryer, J2A	Postgraduate Diploma in Conservation Management Postgraduate Certificate in Supervisory Management Bachelor of Technology (Honours) in Applied Biology (Ecology) Chartered Environmentalist Full Member of Chartered Institute of Ecology and Environmental Management
<i>Appendix 12.1:</i> Geology and soils: land contamination - additional information	Geoff Hood, J2A	Bachelor of Science in Environmental Earth Science Chartered Scientist Fellow of the Geological Society

Chapter/ appendix	Author	Key qualifications
<i>Appendix 12.2:</i> Soil management strategy	Jonty Bletcher, J2A	Master of Science in Environmental Protection and Management Bachelor of Science (Honours) in Ecological Sciences (Wildlife Management) Associate Member of Institute of Environmental Management and Assessment
<i>Appendix 13.1:</i> Materials and waste - additional information	Sara Craze, J2A	Master of Science Environmental Management and Technology Bachelor of Science in Environmental Sciences and Geography Chartered Waste Manager Member of Institution of Wastes Management
<i>Appendix 13.2</i> Carbon assessment	Marc Postle, J2A	Master of Science in Experimental Economics
<i>Appendix 14.1:</i> Scheme operational noise and vibration policy	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society
<i>Appendix 14.2:</i> Noise and vibration baseline	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society
<i>Appendix 14.3:</i> Noise and vibration significance criteria	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society

Chapter/ appendix	Author	Key qualifications
<i>Appendix 14.4:</i> Construction noise and vibration assumptions and assessment outputs	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society
<i>Appendix 14.5:</i> Operational, noise and vibration assumptions and assessment outputs for the base scheme	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society
<i>Appendix 14.6:</i> Operational, noise and vibration assumptions and assessment outputs for the mitigated scheme	David Hiller, J2A	Doctor of Philosophy in Groundbourne Vibration from Construction Master of Science in Geotechnical Engineering Bachelor of Science in Geophysics Chartered Engineer Member of the Institute of Materials, Minerals and Mining Member of the Institute of Acoustics Fellow of the Geological Society
<i>Appendix 15.1:</i> Data for all travellers assessment	Jenny Wade, J2A	Master of Science in Environmental Management Bachelor of Arts (Honours) in Geography Chartered Environmentalist Member of Institute of Environmental Management and Assessment
<i>Appendix 16.1:</i> Preliminary bird hazard assessment	Roy Armstrong, Armstrong, McCaul Biological Consultants	Doctor of Science in factors affecting the breeding success of the herring gull (<i>Larus argentatus</i> Pont.) at an increasing and a decreasing colony Bachelor of Science (Honours) in Zoology
<i>Appendix 17.1:</i> Flood risk assessment	Mike Symons, J2A	Master of Science in Water Engineering Bachelor of Arts in Geography Chartered Water and Environmental Manager

Chapter/ appendix	Author	Key qualifications
<i>Appendix 17.2: Highways Agency Water Risk Assessment Tool (HAWRAT)</i>	Martina Girvan, J2A	Doctor of Philosophy in Molecular Ecology Master of Science in Ecology Bachelor of Science (Honours) in Environmental Biology Chartered Ecologist Member of the Chartered Institute of Ecology and Environmental Management
<i>Appendix 17.3: Water Framework Directive (WFD) compliance assessment</i>	Katy Kemble, J2A	Master of Science in Integrated Management of Freshwater Environments Bachelor of Science (Honours) in Physical Geography Member of the Chartered Institution of Water and Environmental Management
<i>Appendix 18.1: Assessment of human health impacts</i>	Tamara Al-Obaidi, J2A	Bachelor of Environmental Health Member of the Chartered Institution of Water and Environmental Management
	Bryony Cunningham, J2A	Doctor of Philosophy in Environmental Engineering Master of Science in Environmental Impact Assessment Bachelor of Science (Honours) in Environmental Biology Associate Member of the Institute of Environmental Management and Assessment
<i>Appendix 19.1: Transboundary efforts screening matrix</i>	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Appendix 20.1: Register of Environmental Actions and Commitments</i>	Mark Glanville, J2A	Bachelor of Science (Honours) in Horticulture Chartered Member of the Landscape Institute Member of Chartered Institute of Horticulture
<i>Appendix 20.2: Code of construction practice</i>	Jonathan Ben-Ami, J2A	Master of Science in Environmental Impact Assessment Bachelor of Arts (Honours) in Geography Chartered Environmentalist Member of Institute of Environmental Management and Assessment
	Helen Wearmouth, J2A	Bachelor of Science (Honours) in Geography and Geology
