Dear Sir/Madam

Planning Act 2008 (as amended) and Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 17

Application by Highways England for an Order Granting Development Consent for the A14 Cambridge to Huntingdon Improvement Scheme

Request for further information relating to flooding and drainage matters

I am writing to you in respect of the above application to request further information from the applicant and the Environment Agency (EA) in relation to matters arising from the Deadline 14 submissions.

Flood Risk Assessment

Would the Environment Agency advise of its latest position in relation to the outstanding model issues identified in Section 5 of its Deadline 14 submission and the crossing dimensions identified in Section 6 of its submission.

Would the applicant provide evidence of any agreement that may have been reached with landowners in respect of increased flood risk identified in its Deadline 14 HE/A14/EX/239 submission at Section 3 and Table 4-1.

Please respond by Deadline 15 at noon on 11 November 2015.

Yours faithfully

Frances Fernandes

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
