I refer to your letter dated 31 December 2014 requesting information in respect to the consultation of neighbouring local authorities for the proposed A14 Cambridge to Huntingdon Improvement Scheme.

I can confirm that St Edmundsbury Borough Council was consulted but did not submit a response. In this respect, I am of the opinion that the developer has complied with the duties to consult and publicise.

However, paragraph 3.6.1 of the document "A14 5.1 Consultation Report" does not list Forest Heath District Council. While St Edmundsbury and Forest Heath provide shared services for the two local authority areas (under the guise of West Suffolk), the two remain separate local planning authorities. Despite this, I am of the opinion that it Forest Heath would not have submitted any comments.

Kind regards.
