Dear Sir/Madam

Planning Act 2008 (as amended) – Section 55

Application by Highways Agency for an Order Granting Development Consent for the A14 Cambridge to Huntingdon Improvement Scheme

Adequacy of consultation request

Thank you for the opportunity to comment as part of the above consultation.

Fenland District Council (FDC) is supportive of the A14 proposals for Cambridge to Huntingdon. We have been regularly involved in the planning and funding discussions with the Highways Agency. We are also part of the public sector funding consortium, having signed a funding agreement to contribute £800,000.

The Council recognises the economic benefits to the region of key infrastructure improvements such as A14 and A47. Even though the project is not within Fenland our local residents and businesses will benefit from this upgrade due to the role of A14 as part of the strategic truck road network.

We are satisfied that we have been adequately consulted about this project.

Yours sincerely
