

For the attention of N Coombes, Case Manager

I will be attending this meeting.

I am concerned that the site visit is scheduled for Thursday 16th July as any visit to Hinchingsbrooke Park Rd. may not show the normal level of congestion. The proposed solution will add to this.

I am also concerned that I have not yet seen details of alternative routes which will be used when there has been an accident or road works on the new A14 . Any solution proposed needs to identify alternative routes, as when these occur on the existing A14 they cause chaos.

Cheers,
Joe Brien
