

Dear Mr Nicholas Coombes,
Dear Sir or Madam,

I wanted to confirm that I am planning to attend the meeting in the morning of Wednesday, 13th May.

Given the principal issues set out in Annex C, I am nonetheless slightly concerned, as the comments we raised relate to quite a number of issues, e.g. to air quality and emissions, biodiversity and ecological conservation, economic and social effects, EIA, noise and vibration and transportation and traffic. I am therefore wondering how our comments will be appropriately dealt with. They principally concern the planned railway station access road network in Huntingdon.

I am looking forward to hearing from you, and potentially to receiving some further guidance.

Kind regards,
Jan
