Dear Ms Fernandez

In accordance with your Rule 8 letter dated 21 May 2015 I write, as Chair of Hilton Parish Council, to request the accompanied site visit includes Hilton.

I would request that the site visit starts at the site of the proposed bridge on the B1040 north of the village, then comes into Hilton via The Green and then proceeds to the site of the other crossing on what is known as the Low Road leading out of the village toward Fenstanton.

The request is made to allow the examiners to consider some of the opinions voiced by the Parish Council and residents of Hilton concerning:

Visual Impact.

Proximity of the scheme to the Village.

The potential for increase in light and noise pollution.

I look forward to receiving confirmation that the accompanied site visit will come to these sites as requested. If you need any further information from the Parish Council regarding this please let me know.

Once the itineraries and routes are published by 5 June 2015 I will ensure that I notify Nicholas Coombes that either myself or a representative of the Parish Council would like to attend this part of the site visit.

Yours sincerely

Peter Balicki  
Chair  
Hilton Parish Council
