Subject: Accompanied Site Visit Request

I write on behalf of my clients, the North West Cambridge Consortium of Landowners and Barratt Eastern Counties to formally request a site inspection of the following area:

- The A14 from where it crosses Girton Road (east of the A14 Girton junction) westwards to the Histon junction, incorporating views from both the southern and northern side of the A14.

The reason for this request is:

- To view the relationship of the works proposed by the application with the land being promoted for development through the South Cambridgeshire Local Plan process known as Darwin Green.

Many thanks,

Marcia.
