In response to the Rule 8 letter, I would like to invite the Panel to visit Cambridge MSA (at J28 - Swavesey Interchange) as part of their site visit. The purpose of this visit will be to understand the existing access arrangements and usage of the site and to consider the impact the A14 scheme has on the MSA in terms of continuing its important highway safety role as set out in our Relevant Representation.

The Panel will be able to view the site from publically accessible areas but if they would like a representative of Extra to be present please let me know and I can arrange this.

Kind regards

Simon Tucker
